Our Mission

“To develop and maintain a strong and vital organization that improves the image of the industry through promotion of reasonable regulations and adherence to and promotion of ethical business practices.”

MGA is:

The Association advocates for and promotes member success in the architectural and auto glass industries. Through Training and Education, the Association supports Professionalism and High Ethical Standards; unifying members to speak as one for Safety, our Environment and Fair Competition.

Code of Ethics

- ❖ To promote and encourage fair and ethical competition.
- ❖ To fulfill all contractual obligations and respect the contractual obligations of others by not inducing breach of existing contract.
- ❖ To use safety glazing materials whenever possible and to refuse to sell unsafe products.
- ❖ To maintain a safe work area with adequate inventories of glass products and to sell these products at a fair and non-discriminatory price.
- ❖ To maintain the highest industry-wide standards of professional and personal conduct.
- ❖ To promote the advancement of the Association on both the local and national levels, supporting its goals and objectives.
